U.S. REPRESENTATIVE OFFERING

DAGGER DISRUPTER

BACKPACKABLE EOD DISRUPTER · SPECIAL FORCES
& TACTICAL UNITS

A compact, lightweight disrupter built for rapid deployment in the field. Environmental anchoring, a Dagger Zero Convergence laser aiming system, and shared 12ga ammunition with the Lance Disrupter combine accuracy with minimal footprint for operators who need full disruptive power without the bulk.

Manufactured by CTS (Contre-Terrorisme et Sécurité), Pointe-Claire, Québec — 20+ years in EOD and homeland security manufacturing, deployed in 55+ countries. WTF serves as CTS's authorized U.S. representative and systems integrator, coordinating market access, procurement, and commercial support for American agencies and units.
